<b>Glossary of Terms .....</b>	<b>35</b>

*Redevelopment enables communities to grow inward, not just outward.*

*Redevelopment helps encourage new housing and businesses to locate within already developed areas. It helps reduce crime, promote affordable housing, reduce long commutes and preserve the environment.*

*Redevelopment enhances and expands local businesses, renovates declining housing stock and improves public infrastructure systems and facilities.*

*Redevelopment plans are locally created and adopted so they can respond to your community's unique needs and vision.*
